FAVORITE TEACHERS

The senior class voted Ben McEntee and Marylyn Jeppson as their favorite teachers. Mrs. Jeppson, who teaches Bible Literature, Satire, and Filmmaking courses refuses to be stereotyped as a "Middle-age Matron."

She has been active in the LDS church and has worked with young people for the past 25 years. She says she "would rather be with teenagers than people . . ." She jogs daily, skis frequently, and eats constantly. She also warns all who reads this to watch out for earthquakes and floods — For these are the last days . . .

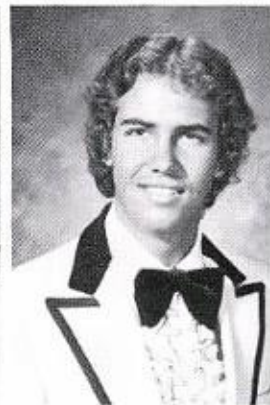

Mr. McEntee once again was selected as "Favorite Male Teacher." Mr. McEntee likes activity and to be involved. Some of his interests outside of teaching English are: Song Girl advisor, running, and just sitting around talking to students. Mr. McEntee wishes the best of luck to the class of 1980.

NICEST PERSONALITY

Tammy Lerch and Craig Schultz were selected as Seniors with the "NICEST PERSONALITY". Their warm personalities could heat a cold room. Tammy has been involved during her stay at Irvington. Many hours were spent in her four years of Volleyball, and was titled M.V.A.L. all league setter. She also was a class councilperson. Tammy plans to attend San Diego State and major in Business.

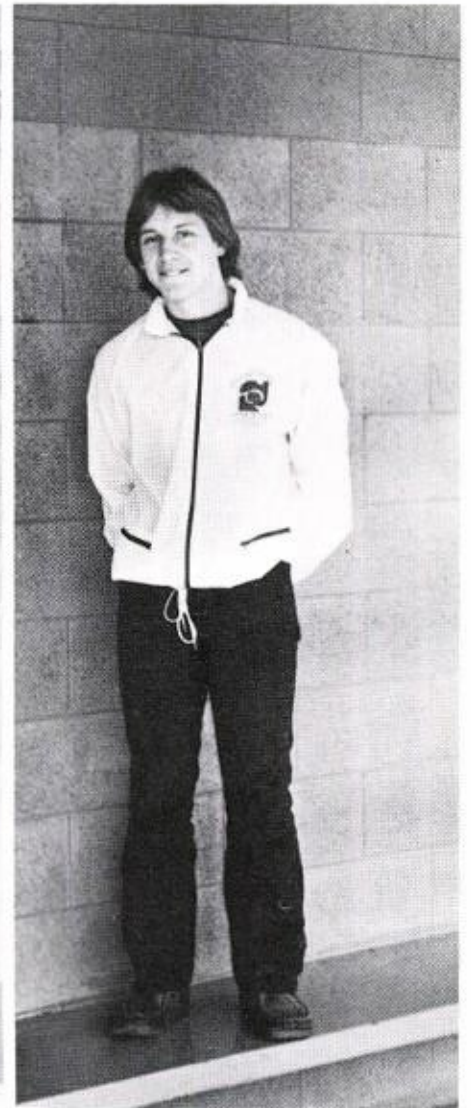

Craig has spent much time with Varsity Football, and was Treasurer of Boys Block I. Craig plans to attend the University of Alabama and become an Aeronautical Engineer.

SHYEST

Shy people are quiet people, quiet people are some of the nicest people. Two good examples of this saying are Liz Thompson and Dennis Cramer.

Liz spends a lot of her time drawing. She plans to attend Ohlone College and maybe major in Journalism.

Dennis has participated in Varsity Football and Track. He also plans to attend Ohlone, then transfer to San Jose State to play football.

SPIRIT WEEK

This year the class of '80' took first place in the spirit week competition. The Seniors did an outstanding job in displaying their spirit.

Their theme was "Senior Scare" and their colors were orange and black.

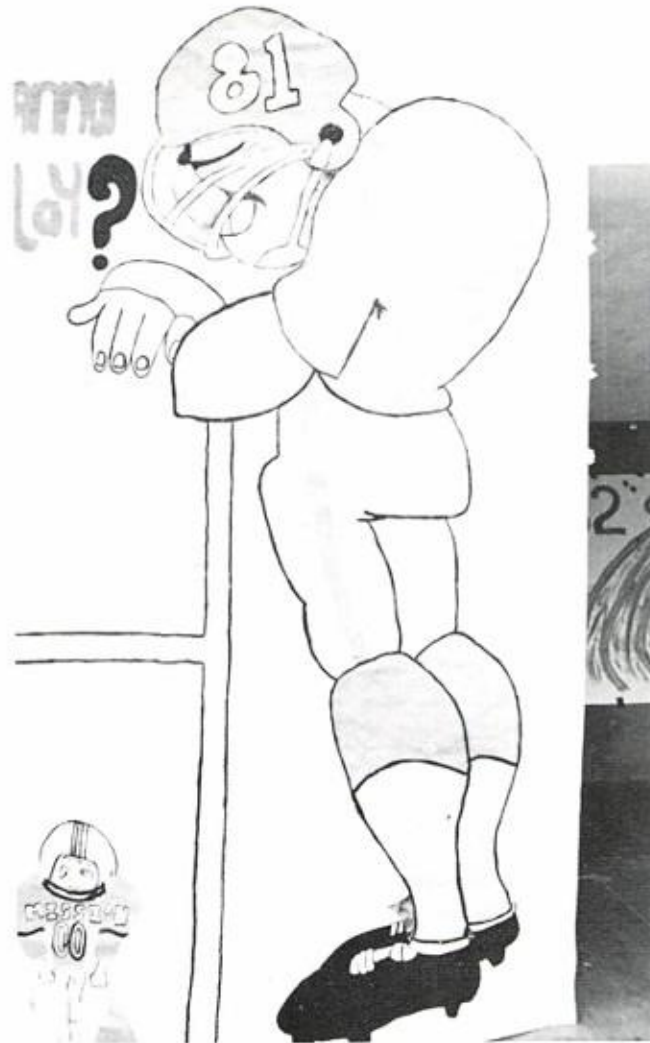

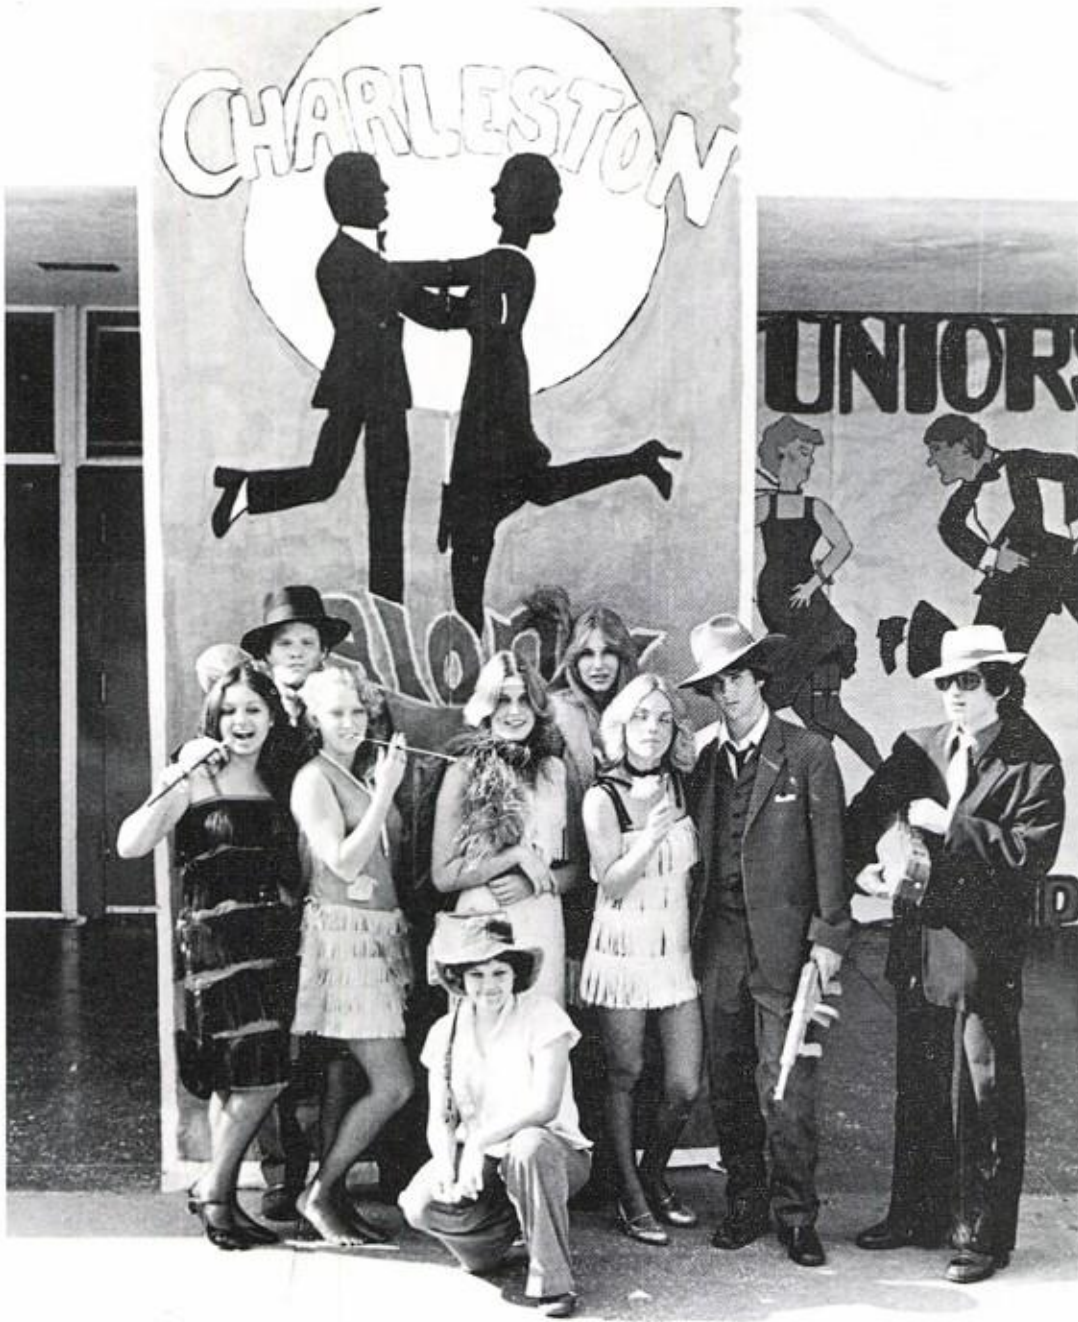

SENIORS

OCTOBER 29 1979

The Juniors showed how spirited they were by coming in a close second behind the Seniors.

The class of '81's' theme was the "Roaring Twenties" and their colors were red and brown.

JUNIORS

SPIRIT WEEK

"Hawaii" was the theme the Sophomores chose for this years Spirit Week. In cold weather, the spirited classmen still wore shorts and bathing suits. The use of the colors turquoise and magenta brought their theme much more to life. You could almost hear the Hawaiian drums beating when the classmen were yelling. They came in third for their efforts.

The Vikes made it to the MVAL Shaunessey Playoffs where they had to beat the undefeated American Eagles two times... they did! That earned the Vikings a spot in the North Coast Section Playoffs.

The Vikes were up against tough teams in N.C.S. They won their first game when they upset Pinole Valley, the number 1 rated team in the tournament by a score of 76-75 in overtime

They next played Pittsburgh and lost, which placed them in the running for third place. Finally they lost to Hayward in a very exciting game.

The Vikings had an excellent year, they played well together as a team and it showed throughout the whole season.

RASHOMON

Rashomon is a play in two acts which deals with an adult theme. The action takes place in Kyoto, Japan, about a thousand years ago at the great Rashomon Gate. Before the time of the play, it was the largest gate in Kyoto, the ancient capitol of Japan. It was 106 feet wide and 26 feet deep, its stone wall rising 75 feet. With the decline of West Kyoto, the gate fell into bad repair and became a decayed relic with an unsavory reputation, a hideout for thieves and a dump for unclaimed corpses.

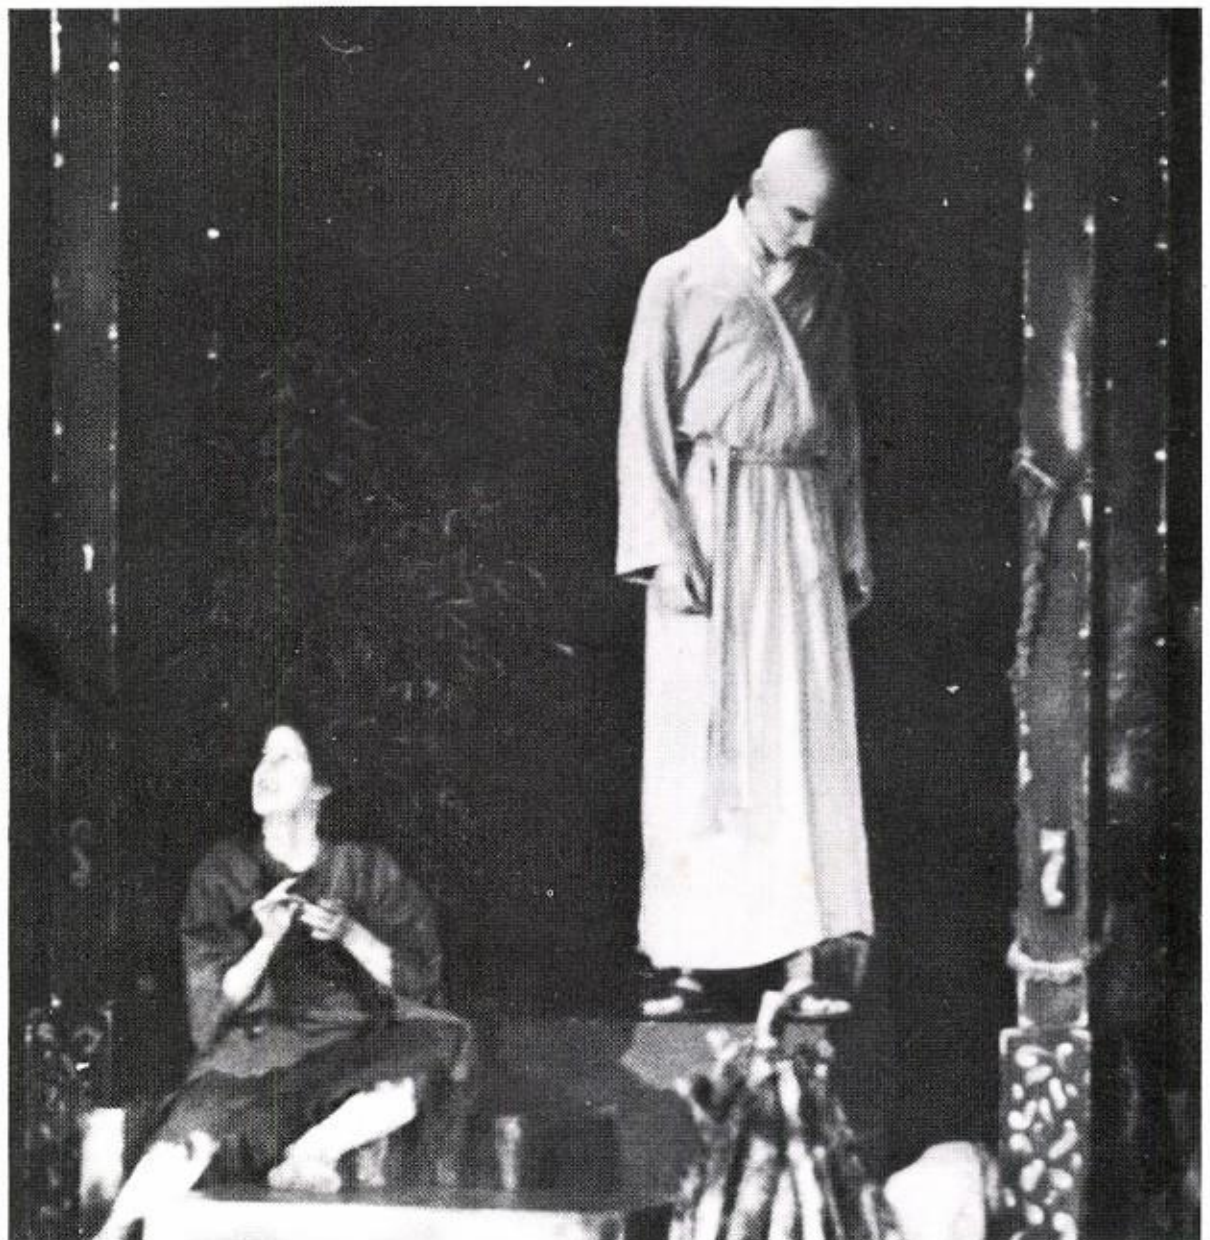

The play opens with the priest, who is leaving the church because he doesn't understand mans actions, a poor woodcutter, who tries to convince the priest not to leave, and the wigmaker, a cynic who couldn't care one way or another. The priest and the woodcutter are retelling the tale of their experience of the bloody murder of a proud Samurai, by the legendary thief Tojamoru, after the rape of his wife and the testimonies of the parties involved. Throughout the story the scenes filter back and forth to the forest and the court, in which the murder is re-enacted through the action of charactors and through the story of the wood cutter and the priest.

OLIVER

First position?

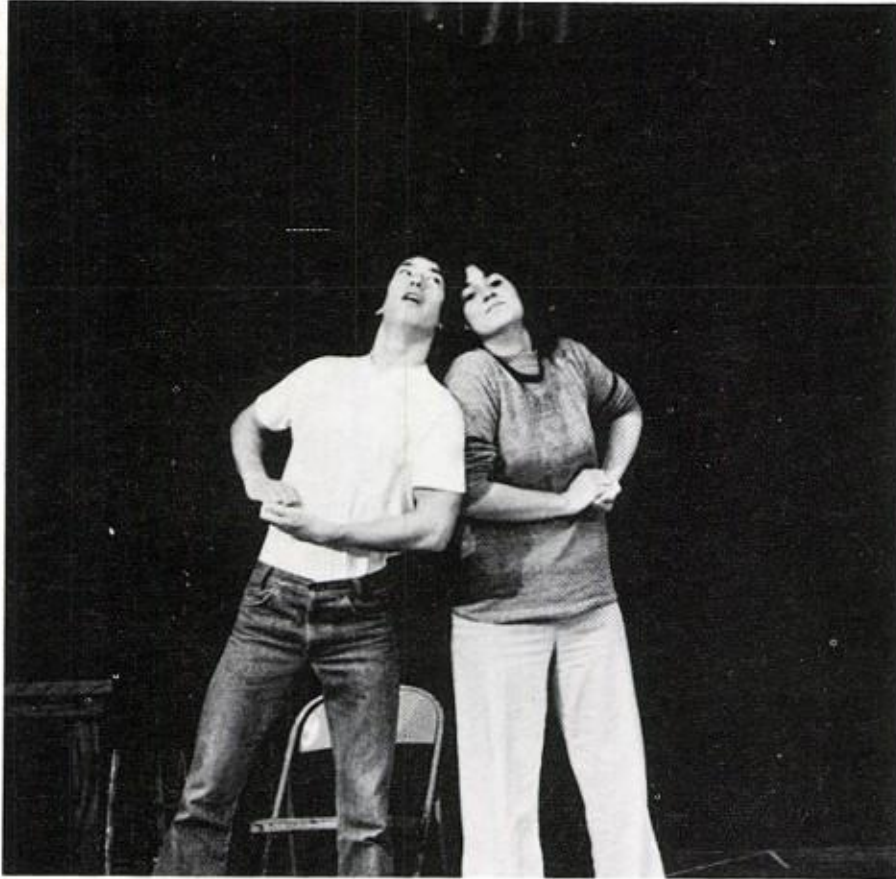

Say your sorry!

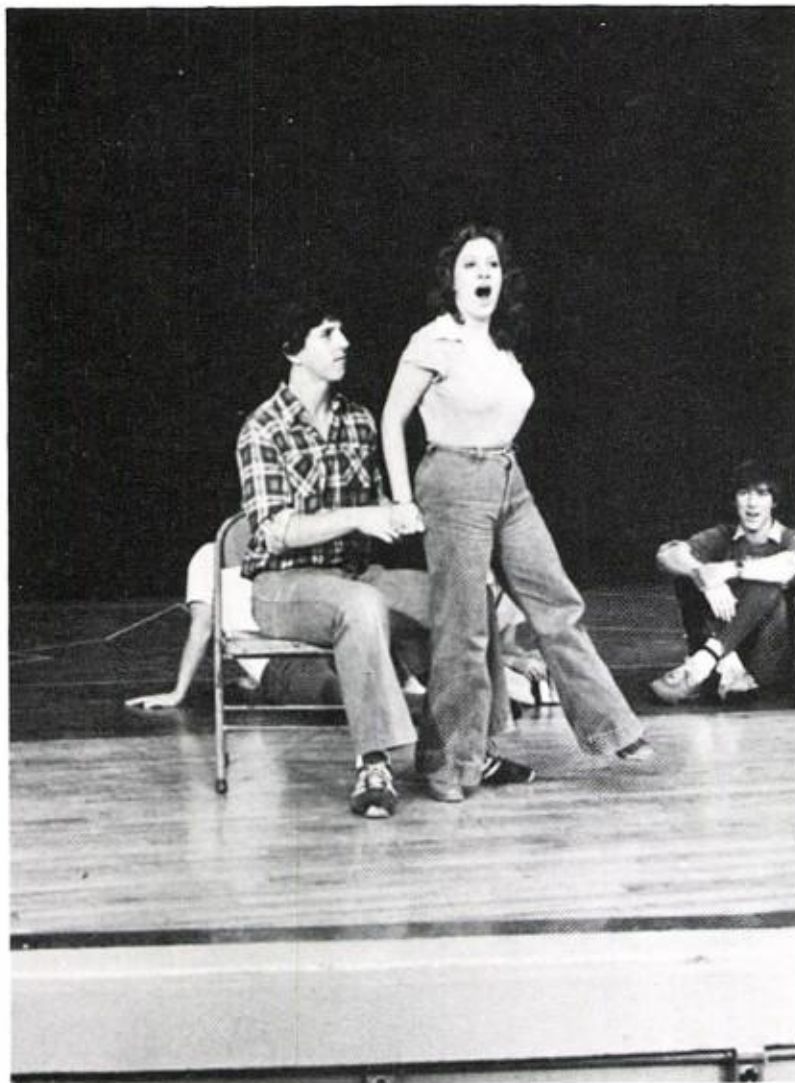

Do you need some help?

The musical Oliver is set in the 1800's. The story is about orphan boys who just barely survive with little food or comfort. The orphanage is run by Widow Corning and Mr. Bumble. Oliver, being hungry, approaches Mr. Bumble asking for more food. Because he asked for more, he is punished by being sold to Mr. Sowerberry, the undertaker. The next day, he runs away and is picked up by the Artful Dodger. He is then taken to Fagin's Kitchen, where he joins Fagin and his boys. The boys go off on a pick-pocket expedition and Oliver is captured for looking guilty. News reaches Fagin and tavern owner, Bill Sikes, that Oliver has been taken to the home of a rich old gentlemen. They send Nancy to retrieve Oliver, but the scheme to grab him back fails. Sikes grabs Oliver and after a chase, he is shot and killed. Oliver is restored to his benefactor. Fagin minus boys, home and money reflects on the sad state of affairs as the play closes.

This years Frosh-Soph Football team had a very good season and came very close to winning the M.V.A.L. championship by only one game. Leading the team to its successful season was Coach Al Huckaby and Coach Bill Caprassecca, but the real backbone of the team were the players: Jim Lea, Tim Palmer, Joe Valentine, Scott Pisel, Gordon Tibbetts, John Jones, Chris Knight, Scott Garner, Dan Birdwell. With the strength of this young Frosh-Soph team, they will make a stronger and more experienced Varsity team next year.

Varsity Football

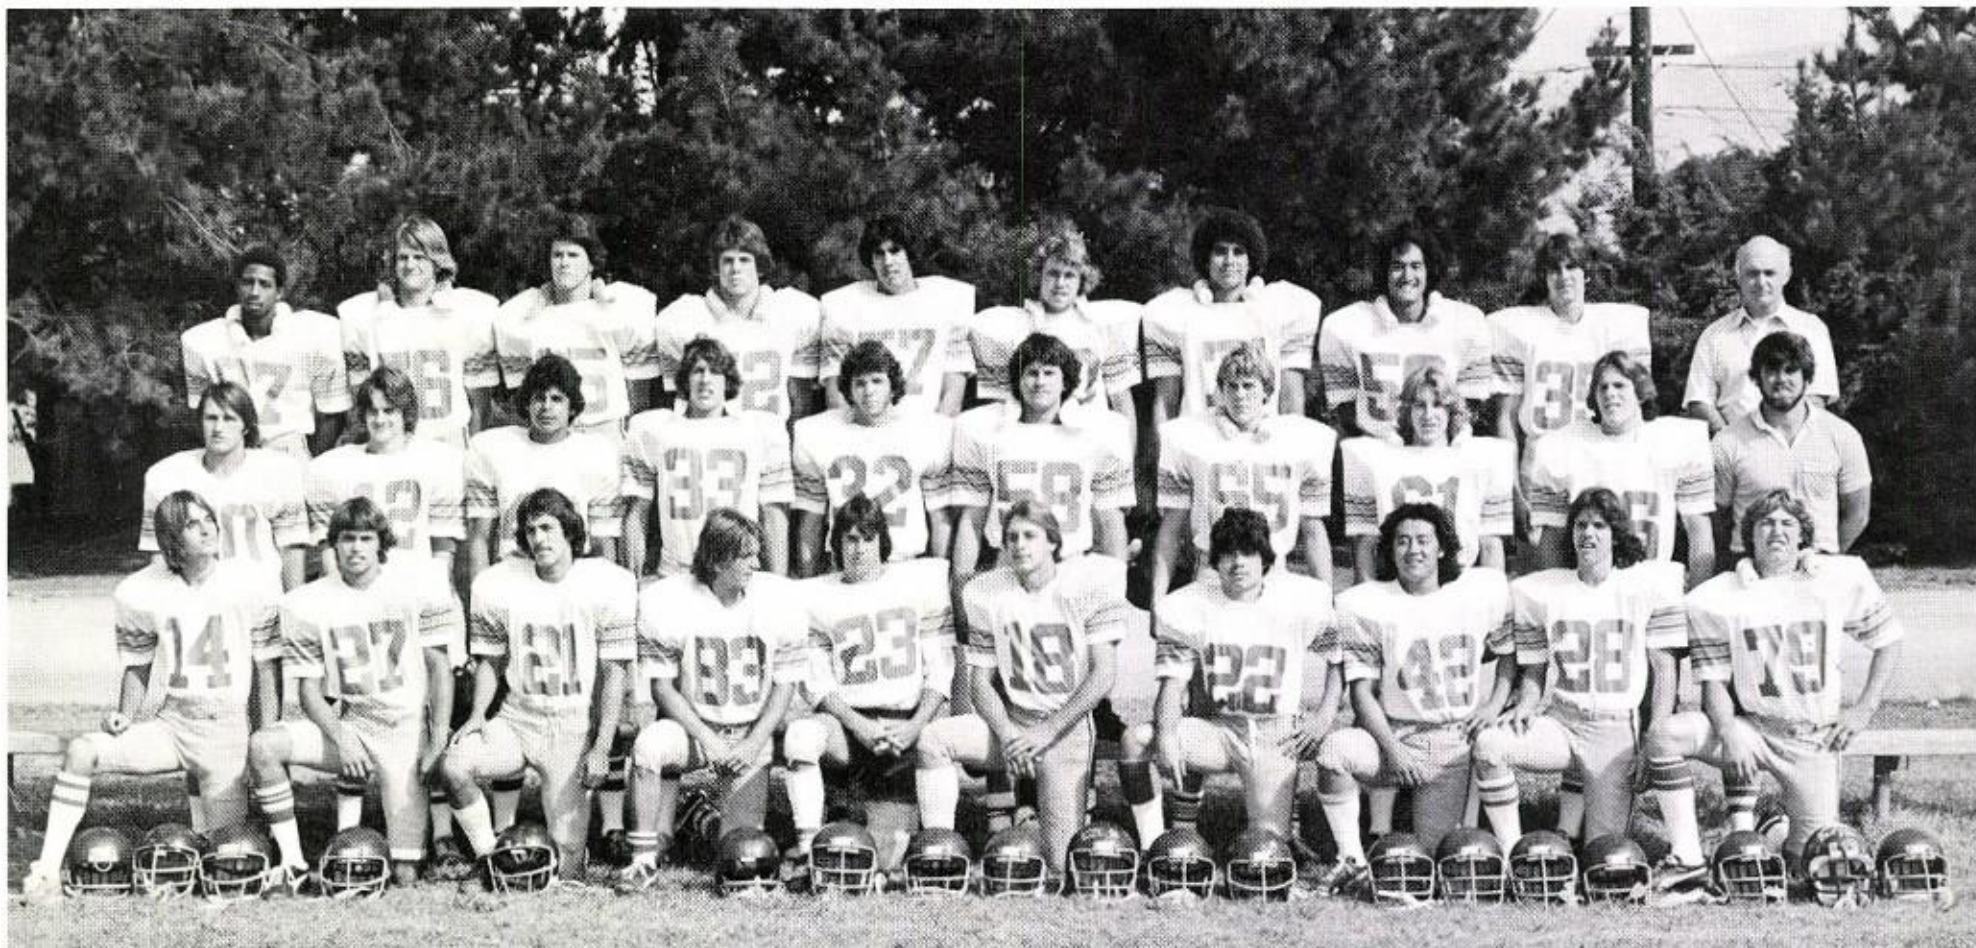

This years Viking football team had a rugged schedule. Six of the ten teams they played throughout the season finished among the top ten in the East Bay. Coached by Mr. Gary Miller for the ninth year, he felt the entire team gave its best effort every game. He also commented that the Vikings were small in size and plagued by many injuries, including that of starting quarterback Bob Brown which Miller feels hurt the team early in the season. Miller singled out as the seasons key players; Denny Martinez, Dennis Cramer, Josh Hendrix and Mike Schanen.

GIRLS GYMNASTICS

The 1980 Girls Gymnastics team was small in number but mighty in spirit. Mrs. Mariann Spooner coached the team and Amber Dean was chosen as the team Captain. In December, the girls held their first annual Cartwheel-A-Thon to raise money for a new set of uneven parallel bars and a new vaulting board. The group achieved the goal and the new equipment has served them well.

When asked what they gained from going out for the team, a variety of responses were received. They all felt it helped to develop self-confidence and team spirit. They stated that Gymnastics also offered the challenge and experience of competition.

Warm-up with a gymnast

This was the first season playing a Doubles Round-robin Tournament schedule. The girls tied for a very good third place finish. Leading the team was the team captain Jill Tipton who was voted "Most Outstanding and Dedicated", and Lynn Cadle who recieved "Most Valuable Player". The top doubles team consisted of Cathy Ferrau and Shelly Marshall, who did very well as a combined team effort. These girls have improved quite well since last year, and will probably keep improving in the years to come.

Other outstanding varsity runners were Rex Barber. Fred Woodward and Jeff Youngsma. Mark Lima and Sky Adgie were the other members of the varsity team.

VARSITY WRESTLING

The Varsity Wrestling team started their pre-season placing in three tournaments. First was Pinole Valley in which they placed 7th Livermore 4th and Chabot Classic 8th place.

Outstanding Wrestlers were: Seniors, Craig Akaba and Dan Rodriguez. Juniors Jerry Palmer and Rich Figueroa, will be returning next year.

According to Coach Fern the team was young but will be a definite challenge for the championship next year!

J.V. WRESTLING

The J.V. Wrestlers do not exactly have an abundance of young men on their team, but it is quality not quantity that counts.

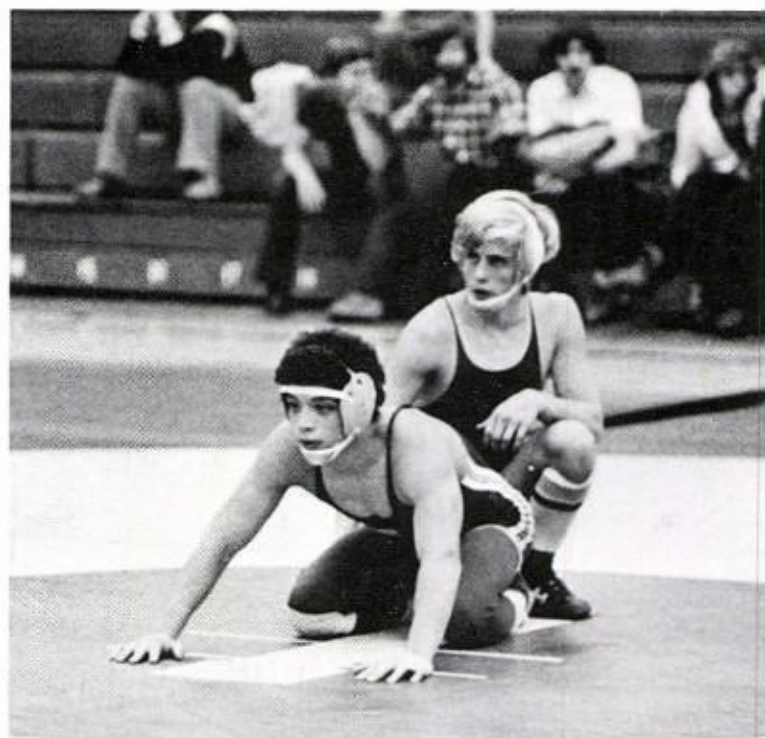

The key wrestlers this year were Sophomore, Darris Larson, Junior, Sam Rodriguez, Senior, Jeff Aker and Mike Daugherty.

FROSH-SOPH BASEBALL

Last year's Frosh-Soph Baseball team broke even with a record of four wins and four losses. The team concentrated on functioning as a single unit.

This year's team is not recognized by MVAL, because there isn't enough money to organize a team with proper equipment and transportation. So the team has concentrated on the fundamentals of baseball, instead of winning.

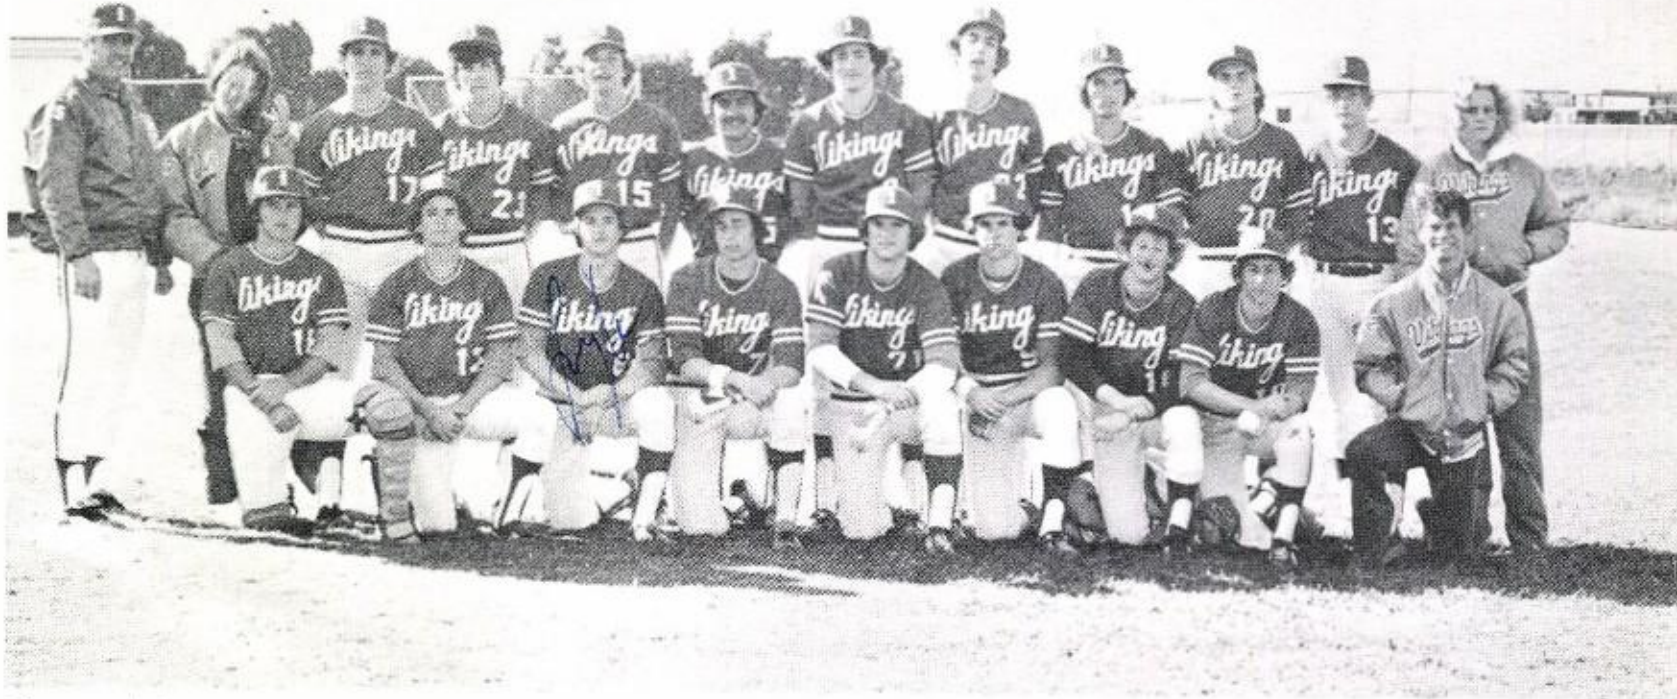

The Frosh-Soph program is used as a building program for Varsity. Fundamentals are taught and stressed. Hustle and attitude are of the utmost importance. They let winning and losing take care of itself, and don't worry about individual status. They practice, play hard, and have a lot of fun!

Pictured left to right top row, Coach Sinnott, Robert Reed, Mark Tift, Jeff Armstrong, Ed Crosswhite, Kelly Hall, James Barker, Art Ramirez, Grable Ramirez, Chris Chatburn. Pictured left to right second row, Robert Kencht, Paul Weisenberger, Matt Baldini, Dan Bingham, Keith

Bottom row, John Collins, Scott Garner, Lyle Nevels, Al Armstrong, Bob Brown, Leroy Fitzgerald, Steve Greenwood, Ron Harper, and manager, Mark Dotterer.

Last year the Varsity Baseball team tied with Kennedy for the M.V.A.L. title. The dedication and enthusiasm from the 1979 Champs was carried over to this years young team. Coach Russ Watson felt that hitting, defense, and base running should be better than average. The individuals expected to excel were: Al Armstrong at shortstop, Leroy Fitzgerald, Bob Brown and Ray Gress all returning Seniors from the outfield.

Coach Russ Watson

Mighty John at the bat!

Wher'd the ball go?

Scooter tagging up.

Look Mom, no teeth!

I got it, I got it!

It's been a long day.

Swingin' number 7.

VARSITY SOFTBALL

This years Varsity Softball team is a mixture of young and experienced players. Coach Gary Miller says "the team is very strong and they expect to take the MVAL championship." Pictured left to right, front row: Coach Gary Miller, Margie Hay, Tracy Birdwell, Terri MacDonald, Laurie Lubke Michelle Bell (Assist. Coach). Second row, Mary Giovannoni, Nikki Winovich, Kelly Shue, Renee Leyva, Laurie Caires, Michelle MacDonald. Third row, Cheryl Cano, Leti Aguilar, Theresa Martinez, Jennifer Baldini, Mona Decamara.

One strike too many!

Margie, at the plate!

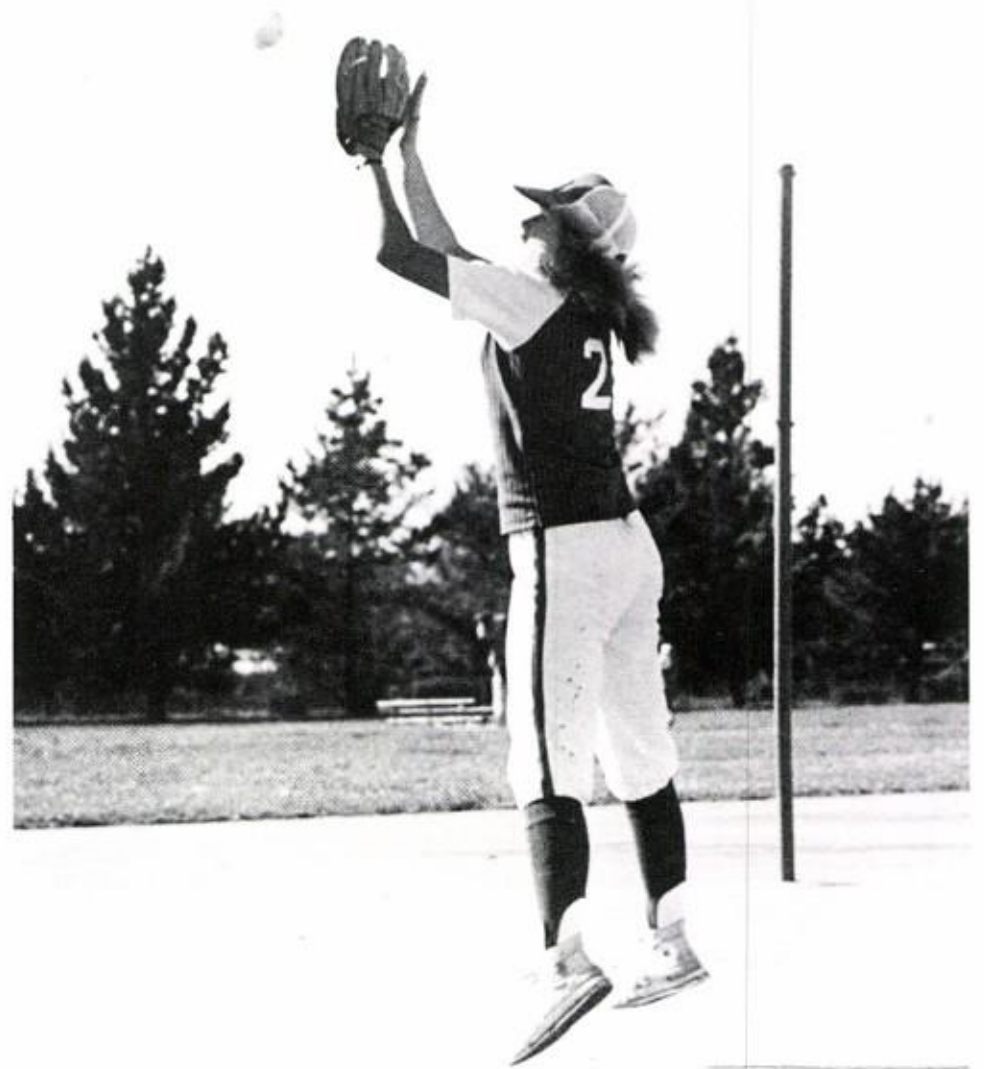

J.V. SOFTBALL

This years J.V. team is a young strong team. According to Coach Tierney they have the strongest infield since he's been coaching. He feels that if their pitching comes round they will have a good chance for the championship.

Pictured left to right, Top Row: Coach Tierney, Kathy Gomm, Kim Barker, Lisa Nonebine, Caroline McKennon, Laura Hollenshead, Beth Brooks, Gini Myers, Laura Gouldthorpe, Bottom row: Eileen McLain, Cathy Lockenmyer, Lisa Ruso, Gayle Durran, Joy Mayo, Tami Gibson, and Theresa Levya.

I got it!

Pictured above from L to R; Front row, John Brooks, Fred Woodward, Jim Pena, Noel Gavin, Rob Andrews, Mike El-

liot. Back row, Coach Bob Buum, Jeff Cucculelli, Dean Church, Rex Barber, Ron Ely, Sky Adgie.

The Irvington Varsity Track team is the smallest squad the Vikes have fielded. At present the team is made up of five seniors and ten juniors. In order to flesh out the team it will be necessary to select a few freshmen and sophomores to participate at the varsity level. This procedure is a first for Coach Bob Buum. Though the Vikings are few they have several standouts which include, the senior distance runners Jim Pena and Sky Adgie. In the dashes there are juniors Fred Woodward, Dean Church and Noel Gavin. Jeff Cucculelli is the Irvington weight man and ranks high in the league. The team being short-handed, as it is, will be staking their season performance on how well the sophomores and freshmen do at varsity level.

Is three a crowd?

The Boys Frosh-Soph Track Team has the largest turnout of team members in five years. With seventeen freshmen and eight sophomores the team has many outstanding runners and field competitors. Coach Buum and the team should pose a real threat to the MVAL.

This last mile is a killer!

Sara Flores and Veronica Mitrick

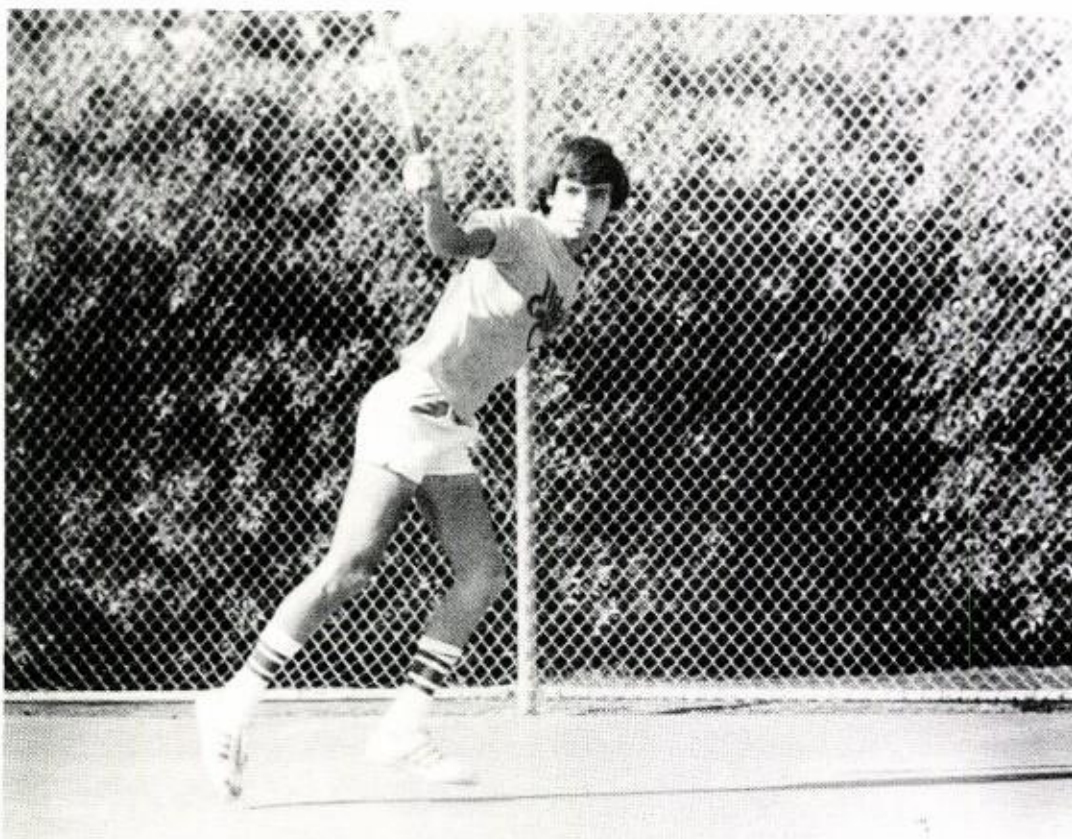

Heidi Barnes

This year the Irvington's Girls Track team had only four athletes returning from last years squad. One of the most outstanding was Vickie Ebblar in the shot and discus. Stacy Bolivia and Kathy Tilton were the top distance runners. Virginia Havenhill and Veronica Mitrick ran the middle distances. Many outstanding newcomers and freshmen were out this year, we're looking forward to seeing them out again next year.

Seven Time MVAL Champs Varsity Tennis

Pictured left to right, Front row: Steve Yoshinobu, Jorge Sullivan, Back row: Jeff Cox, Danny Miramontes, John Nunez, Hugh O'donell, Tim Swihart

Danny Miramontes

This years varsity tennis team will be seeking their eighth unprecedented MVAL championship victory. Irvington has dominated the league for the past fifteen years. Coaching the team for his first year is Jerry Hein, who says that: "We have a championship team on our hands." Playing for their fourth and final year is Barry Duncan, Hugo Miramontes, and Jeff Cox who have led the team to their past three championships. Other players such as Danny Miramontes, Kai Chan, Steve Yoshinobu, John Nunez, and Jorge Sullivan have also worked very hard to bring Irvington their many victories.

J.V. Tennis

Steve Yoshinobu
Varsity tennis

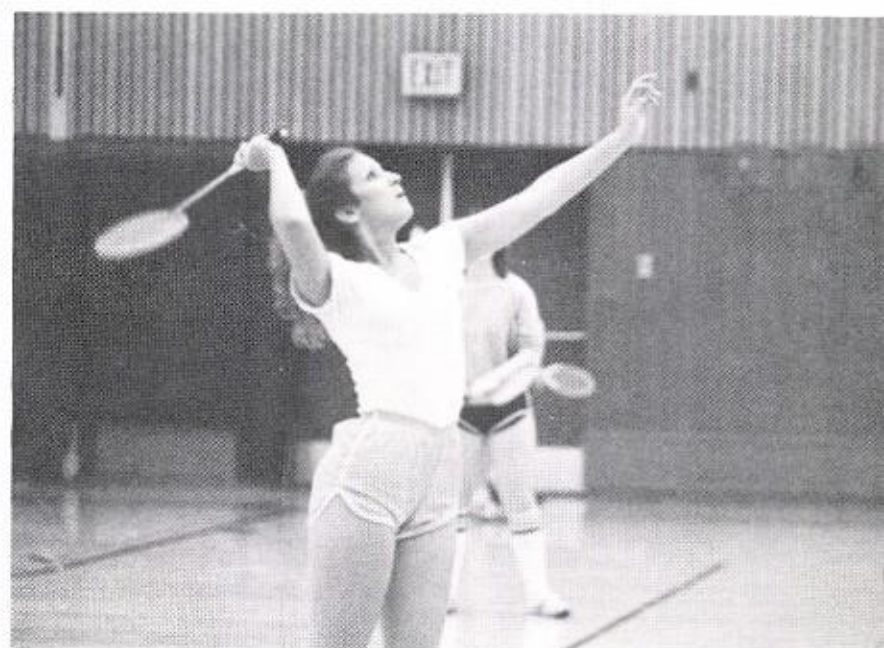

The J.V. Tennis team is going through a slow, but difficult rebuilding process in which they will try to gather more talent. This team has very good potential to win the years to come but it will take time to overcome many of the weaknesses that they have at the present. The J.V.'s have three top players who have helped to strengthen the line-up and they are: Sal Lamagna, Mike Miller, and Richard Rosenburg.

BADMINTON

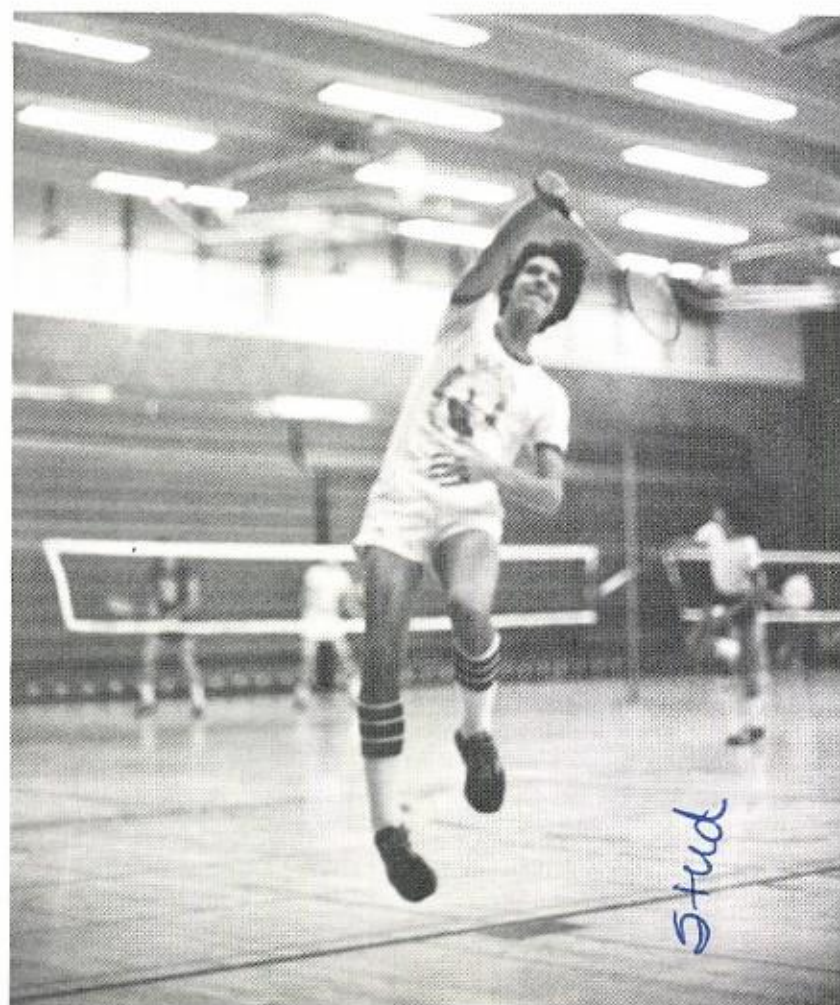

What the Badminton team lacked in size, they made up for in dedication and enthusiasm. Coach Fern says, he was really glad to have players like, number one mens singles Mark Lima and number one womens singles Michele Laden on the team.

Varsity Swimming

The Varsity swim team is a young, but enthusiastic team and has tripled in size since last year. Coach Whitmore states he is glad to see an increased interest in swimming. He expects to have a strong team next year. The team had somewhat of a rough time with Irvington pool and were forced to practice at the Olhone pool. Hopefully, the pool problems will be taken care of by next year which should make the practice sessions more convenient.

J.V. Swimming

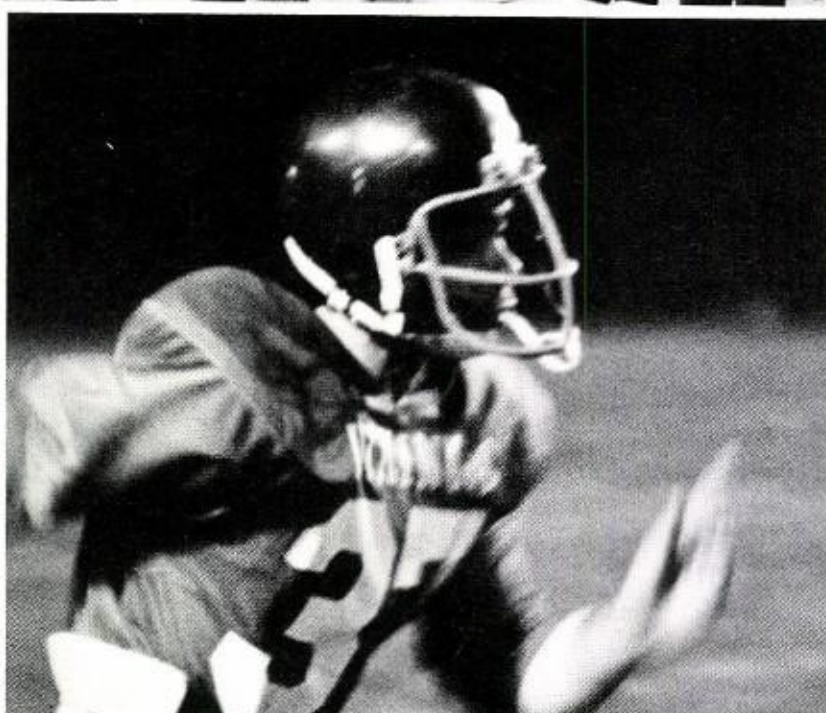

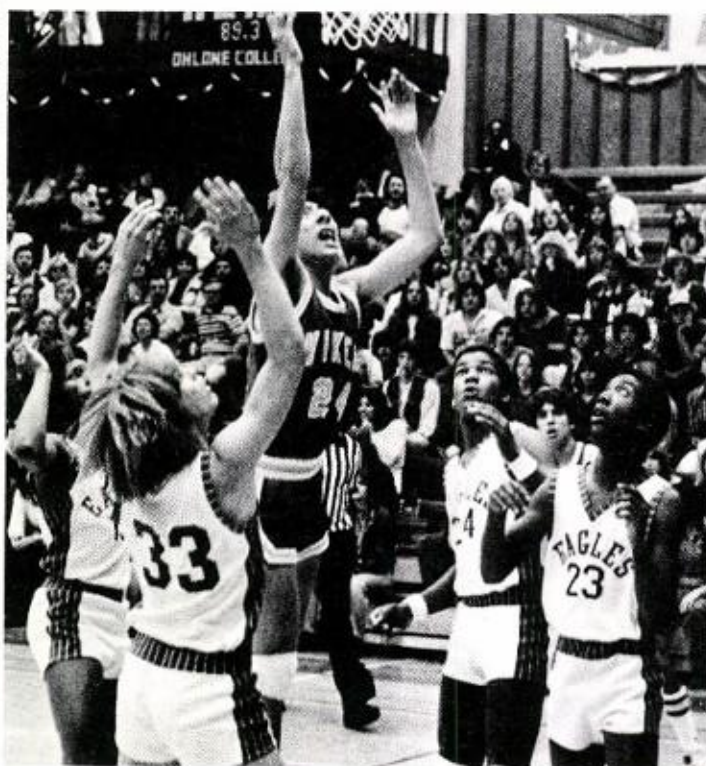

The J.V. team went into the season with high hopes. The team put in a lot of time and dedication. Coach Whitmore said they were going to give the opposition some tough competition. The coach also expected many of the players to move up to varsity next year to make a strong varsity team.

 "81" RULES

I think that it would have been easier to be Editor, if I didn't have to follow last years Editor, Kevin Thomas.

He did a superb job and if some members of the staff would have just accepted the ways I wanted to do things instead of either comparing me to Kevin or always wanting things done the way he did them, things would have gone a lot smoother. I do have to say that being Editor or being in the yearbook class, you not only learn how a yearbook is made, but you also get an insight on practically everyones personal and social lives, the newest in Vogue Magazine, Max Factor, and the latest on whats going on in the "Soap Opera World". I want to say something about each and every person (just like Kevin).

First of all, I have to say thank you to my right hand man and I mean RIGHT HAND MAN (Tootie-Fruite) Craig Lopez.

Jeff: We have been going to school together since the 2nd grade and that is a long time. Thank you very much for selling yearbooks all those times with such short notice.

Tina (PARTY) Martin: I hardly saw much of you this year, but I have to give you credit. You always found a way to come down from the "HIGHEST" places. (thanx Craig).

Tina Maki: Couldn't believe after two years in yearbook you still didn't know where the rulers were.

Livy: You caught on fast and did a good job on everything you did. I feel that you will probably go far in life.

Lisa: If we had a lay-out of mirrors and lip gloss it would have been perfect for you.

Marie: If looks could kill I wouldn't have been able to write this after that mistake in identity.

Anna: You also caught on quickly to the procedures on constructing a lay-out. If all of you are on the staff next year I'm sure you will have a very successful yearbook.

Carol: I only heard parts of the stories but, it sounds to me that you are definitely not a "party-pooper".

DeAnna: I hope you have as much fun as I did in my Senior year. ha ha

Renee: You were the hardest person to write about. I just couldn't find a way to put my feeling down on paper. Good luck in the future.

Tammy: You have always given me the impression of being a very caring person. Good luck in the life ahead.

Cathy: I know that you weren't to thrilled about doing the play and I'm sorry you got stuck with it. But life would be real dull if we didn't try different experiences. Right????

Annette: I want to say that you were the quietest one from that table. You did a lot for the Senior Class. You are a real dedicated person. You too will probably go far in life.

John Merchant: You really put excitement into our class. You kept everyone on their toes (including Mr. Franco) in trying to figure out if you were going to get your work done on time.

I have to save the best for last:

Dennis: You are a very warm and understanding person. Just having you smile at me when things got rough brought me out of the worst moods. I thank you for that.

Last but not least:

Mr. Franco: Being Editor was a big job. And I thank you for choosing me to do that job. I hope that in the process I did not give you sleepless nights or migraine headaches.

I would also like to thank Mrs. Morgan for those times she would give me ideas when I ran out, and Pam Peterson for finding room, for my late bulletins.

A special thank you to Randy Jones. Without his talent in photography and fast developing this yearbook would not have been completed.

Sharon
